

## DATA SOURCE FOR IEO EVALUATION

### ASSESSING PORTFOLIO-LEVEL RISK AT THE GEF, GEF/E/C.67/03 MAY 19, 2024

Closed Projects with Risk and Outcome Ratings (n=366)

| GEF ID | Project Title                                                                                                     | GEF Phase | Agency name | Country            |
|--------|-------------------------------------------------------------------------------------------------------------------|-----------|-------------|--------------------|
| 4330   | Strengthening National Frameworks for IAS Governance - Piloting in Juan Fernandez Archipelago                     | GEF - 5   | UNDP        | Chile              |
| 4332   | Sustainable Land and Forest Management in the Greater Caucasus Landscape                                          | GEF - 5   | UNDP        | Azerbaijan         |
| 4336   | Lighting One Million Lives in Liberia                                                                             | GEF - 5   | World Bank  | Liberia            |
| 4343   | EAS: Implementation of the Yellow Sea LME Strategic Action Programme for Adaptive Ecosystem-Based Management      | GEF - 5   | UNDP        | Regional           |
| 4344   | Promoting Sustainable Bio-energy Production from Biomass                                                          | GEF - 5   | UNDP        | Timor Leste        |
| 4345   | Renewable Energy for Rural Livelihood (RERL)                                                                      | GEF - 5   | UNDP        | Nepal              |
| 4352   | Environmental Land Management and Rural Livelihoods                                                               | GEF - 5   | World Bank  | Tajikistan         |
| 4356   | Securing Biodiversity Conservation and Sustainable Use in China's Dongting Lake Protected Areas                   | GEF - 5   | FAO         | China              |
| 4374   | Removing Barriers to Wind Power Development in Belarus                                                            | GEF - 5   | UNDP        | Belarus            |
| 4377   | Development and Commercialization of Bioenergy Technologies in the Municipal Sector in Ukraine                    | GEF - 5   | UNDP        | Ukraine            |
| 4387   | Phase-out of CFC Consumption in the Manufacture of Aerosol Metered-dose Inhalers (MDIs) in the Russian Federation | GEF - 5   | UNIDO       | Russian Federation |

| GEF ID | Project Title                                                                                                                                                              | GEF Phase | Agency name | Country    |
|--------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------|------------|
| 4392   | Protect Human Health and the Environment from Unintentional Releases of POPs Originating from Incineration and Open Burning of Health Care- and Electronic-waste           | GEF - 5   | UNDP        | Egypt      |
| 4410   | Development of the Guidelines for updating of National Implementation Plans (NIPs) under the Stockholm Convention taking into account the new POPs added to the Convention | GEF - 5   | UNIDO       | Global     |
| 4412   | Establishing the tools and methods to include the nine new POPs into the Global Monitoring Plan                                                                            | GEF - 5   | UNEP        | Global     |
| 4415   | Capacity Building for the Early Entry into Force of the Protocol on Access and Benefit Sharing                                                                             | GEF - 5   | UNEP        | Global     |
| 4417   | Development of National Capacity for the Environmentally Sound Management and Disposal of PCBs                                                                             | GEF - 5   | UNDP        | Colombia   |
| 4441   | Dioxins Reductions from the Pulp and Paper Industry in China                                                                                                               | GEF - 5   | World Bank  | China      |
| 4442   | NIP Update, Integration of POPs into National Planning and Promoting Sound Healthcare Waste Management in Kazakhstan                                                       | GEF - 5   | UNDP        | Kazakhstan |
| 4454   | Integrated Management of the Yallahs River and Hope River Watersheds                                                                                                       | GEF - 5   | IADB        | Jamaica    |
| 4456   | Conservation and Sustainable Use of the Threatened Savanna Woodland in the Kidepo Critical Landscape in North Eastern Uganda                                               | GEF - 5   | UNDP        | Uganda     |
| 4459   | Development of Sustainable Renewable Energy Power Generation (SREPGen)                                                                                                     | GEF - 5   | UNDP        | Bangladesh |
| 4468   | Landscape Approach to Management of Peatlands Aiming at Multiple Ecological Benefits                                                                                       | GEF - 5   | UNDP        | Belarus    |
| 4469   | Integrated Approach to Management of Forests, with Demonstration in High Conservation Value Forests in the Mediterranean Region                                            | GEF - 5   | UNDP        | Türkiye    |
| 4470   | Building a Multiple-Use Forest Management Framework to Conserve Biodiversity in the Caspian Hyrcanian Forest Landscape                                                     | GEF - 5   | UNDP        | Iran       |
| 4477   | Comprehensive Reduction and Elimination of Persistent Organic Pollutants in Pakistan                                                                                       | GEF - 5   | UNDP        | Pakistan   |
| 4479   | Sustainable Forest Management and Multiple Global Environmental Benefits                                                                                                   | GEF - 5   | UNDP        | Guatemala  |

| GEF ID | Project Title                                                                                                                                                                  | GEF Phase | Agency name | Country      |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------|--------------|
| 4483   | Enabling Trans-boundary Cooperation and Integrated Water Resources Management in the Extended Drin River Basin                                                                 | GEF - 5   | UNDP        | Regional     |
| 4485   | Integrated PCB Management in Costa Rica                                                                                                                                        | GEF - 5   | UNDP        | Costa Rica   |
| 4488   | Green Energy Schemes for Low-Carbon City in Shanghai, China                                                                                                                    | GEF - 5   | World Bank  | China        |
| 4489   | A Transboundary Waters Assessment Programme: Aquifers, Lake/Reservoir Basins, River Basins, Large Marine Ecosystems, and Open Ocean to Catalyze Sound Environmental Management | GEF - 5   | UNEP        | Global       |
| 4500   | GEF Large-City Congestion and Carbon Reduction Project                                                                                                                         | GEF - 5   | World Bank  | China        |
| 4505   | Strengthening Sustainable Management of the Guano Islands, Isles and Capes National Reserve System (RNSIIPG)                                                                   | GEF - 5   | World Bank  | Peru         |
| 4514   | Greening the COP17 in Durban                                                                                                                                                   | GEF - 5   | UNIDO       | South Africa |
| 4517   | Reducing Barriers to Accelerate the Development of Biomass Markets in Serbia                                                                                                   | GEF - 5   | UNDP        | Serbia       |
| 4527   | Partnering for Natural Resource Management - Conservation Council of Nations (CCN)                                                                                             | GEF - 5   | UNEP        | Global       |
| 4533   | Development of Tools to Incorporate Impacts of Climatic Variability and Change in Particular Floods and Droughts into Basin Planning Processes                                 | GEF - 5   | UNEP        | Global       |
| 4543   | The GLOBE Legislator Forest Initiative                                                                                                                                         | GEF - 5   | UNEP        | Global       |
| 4544   | Improved Management Effectiveness of the Chobe-Kwando-Linyanti Matrix of Protected Areas                                                                                       | GEF - 5   | UNDP        | Botswana     |
| 4550   | Strengthening Multi-sectoral Management of Critical Landscapes                                                                                                                 | GEF - 5   | UNDP        | Samoa        |
| 4562   | Network of Managed Resource Protected Areas                                                                                                                                    | GEF - 5   | UNDP        | Mongolia     |
| 4581   | Sustainable Management of Tuna Fisheries and Biodiversity Conservation in the Areas Beyond National Jurisdiction (ABNJ)                                                        | GEF - 5   | FAO         | Global       |

| GEF ID | Project Title                                                                                                                                     | GEF Phase | Agency name | Country    |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------|------------|
| 4582   | ABNJ: Strengthening Global Capacity to Effectively Manage Areas Beyond National Jurisdiction (ABNJ)                                               | GEF - 5   | FAO         | Global     |
| 4584   | Improving Sustainability of PA System in Desert Ecosystems through Promotion of Biodiversity-compatible Livelihoods in and around PAs             | GEF - 5   | UNDP        | Kazakhstan |
| 4586   | Mainstreaming Biodiversity Conservation in Tourism Sector Development in Jordan                                                                   | GEF - 5   | UNDP        | Jordan     |
| 4590   | Delivering Multiple Global Environment Benefits through Sustainable Management of Production Landscapes                                           | GEF - 5   | UNDP        | Honduras   |
| 4600   | Reducing Pressures on Natural Resources from Competing Land Use in Non-irrigated Arid Mountain, Semi-desert and Desert Landscapes                 | GEF - 5   | UNDP        | Uzbekistan |
| 4601   | POPs Legacy Elimination and POPs Release Reduction Project                                                                                        | GEF - 5   | UNDP        | Türkiye    |
| 4605   | Management and Protection of Key Biodiversity Areas                                                                                               | GEF - 5   | World Bank  | Belize     |
| 4611   | Reducing UOPs and Mercury Releases from the Health Sector in Africa                                                                               | GEF - 5   | UNDP        | Regional   |
| 4617   | Municipal Solid Waste Management                                                                                                                  | GEF - 5   | World Bank  | China      |
| 4618   | Access to and Benefit Sharing and Protection of Traditional Knowledge to Promote Biodiversity Conservation and Sustainable Use                    | GEF - 5   | UNEP        | Guatemala  |
| 4619   | Third National Communication to the UNFCCC                                                                                                        | GEF - 5   | UNDP        | Colombia   |
| 4631   | Watershed Approach to Sustainable Coffee Production in Burundi                                                                                    | GEF - 5   | World Bank  | Burundi    |
| 4637   | Marine and Coastal Protected Areas                                                                                                                | GEF - 5   | World Bank  | Brazil     |
| 4639   | Strengthening Management Effectiveness and Generating Multiple Environmental Benefits within and around the Greater Kafue National Park in Zambia | GEF - 5   | UNDP        | Zambia     |
| 4642   | Sustainable Agriculture and Climate Change Mitigation Project                                                                                     | GEF - 5   | World Bank  | Uzbekistan |

| GEF ID | Project Title                                                                                                                                                             | GEF Phase | Agency name | Country    |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------|------------|
| 4644   | Addressing Barriers to the Adoption of Improved Charcoal Production Technologies and Sustainable Land Management Practices through an Integrated Approach                 | GEF - 5   | UNDP        | Uganda     |
| 4645   | Hwange-Sanyati Biological Corridor (HSBC) Project                                                                                                                         | GEF - 5   | World Bank  | Zimbabwe   |
| 4651   | A Landscape Approach to Wildlife Conservation in Northeastern China                                                                                                       | GEF - 5   | World Bank  | China      |
| 4653   | CBPF-MSL: Strengthening the Management Effectiveness of the Protected Area Landscape in Altai Mountains and Wetlands                                                      | GEF - 5   | UNDP        | China      |
| 4655   | CBPF-MSL: Strengthening the Management Effectiveness of the Sub-system of Wetland Protected Areas for Conservation of Globally Significant Biodiversity                   | GEF - 5   | UNDP        | China      |
| 4659   | LME-EA: Coastal Resources for Sustainable Development: Mainstreaming the Application of Marine Spatial Planning Strategies, Biodiversity Conservation and Sustainable Use | GEF - 5   | World Bank  | Viet Nam   |
