### **Work Program of the Least Developed Countries Fund**

3. The Council, having reviewed document *GEF/LDCF.SCCF.29/03/Rev.01*, Work Program for the Least Developed Countries Fund, approves the Work Program comprising of nine projects subject to comments made during the Council meeting and additional comments that may be submitted in writing to the Secretariat by January 11, 2021.<sup>1</sup>
4. Total resources approved in this Work Program amount to \$63.87 million from the LDCF, inclusive of GEF project financing and Agency fees.
5. With respect to the PIFs approved as part of the Work Program, the Council finds that each of these PIFs (i) is, or would be, consistent with the Instrument and GEF policies and procedures, and (ii) may be endorsed by the CEO for final approval by the GEF Agency, provided that the final project documents fully incorporate and address the Council's and the Scientific and Technical Advisory Panel (STAP) reviewer's comments on the Work Program, and that the CEO confirms that the project continues to be consistent with the Instrument and GEF policies and procedures.
6. With respect to any PIF approved in this Work Program, the final project document will be posted on the GEF website for information after CEO endorsement. If there are major changes to the project objectives or scope since PIF approval, the final project document shall be posted on the web for Council review for four weeks prior to CEO endorsement.
7. In light of the recent audit report by the UNDP Office of Audit and Investigations (OAI) of UNDP GEF Management, all projects included in the Work Program implemented by UNDP shall be circulated by email for Council review at least four weeks prior to CEO endorsement/approval. This shall take place as actions of the Management Action Plan that address the OAI recommendations are being implemented, and as the independent, risk-based third-party review of compliance by UNDP with the GEF Policy on Minimum Fiduciary Standards is being completed. Project reviews will take into consideration the relevant findings of the external audit and the UNDP management responses and note them in the endorsement review sheet that will be made available to the Council during the 4-week review period.
